WHY GAP COVERAGE IS ESSENTIAL

The value of a vehicle typically declines faster than the balance owed on a loan or lease leaving a "gap" should the unfortunate occur.

With this depreciation, should your vehicle be totaled, stolen, or start on fire *there is a chance you may be financially responsible for thousands of dollars* of negative equity, over and above what your primary insurance will value the worth of the claim.

VALUE OF VEHICLE PAY-OFF VALUE

HOW GAP COVERAGE WORKS

AutoDrive GAP Protection will pay the difference in the amount of the loan/lease that is not covered by your primary insurance company, giving you peace of mind should the unfortunate occur.

LOAN/LEASE PAYOFF	\$29,000
PRIMARY INSURANCE SETTLEMENT AMOUNT (MINUS \$1,000 DEDUCTIBLE)	-\$22,000
BALANCE OWED	\$7,000
GAP COVERAGE PAID	+\$7,000
DEDUCTIBLE PAID	+\$1,000

Leaving You With \$0 in Out-Of-Pocket Expenses!
